## THE TORRINGTON ROTARY CLUB

Welcome to the 22<sup>nd</sup> Torrington Rotary Golf Tournament! Your presence here today means that the charitable works of Rotary in Torrington and of Rotary International around the world will get a great 'boost' as we reach across continents and build our community here at home. More than \$20,000 in scholarships are awarded by our club each year, hungry and homeless people receive warmth and food, local non-profits are helped in their work and potable water, fresh food, books and library supplies will be sent to give a hand up to those in other countries. All together, our Rotary club gave away nearly \$75,000 to worthy causes and needy people.

Thank you to our sponsors, players, members and longtime supporters for your continued involvement. We especially thank American Airlines for their long commitment to the tournament. All our sponsors and donors make our service to the world possible. We hope everyone has a great day of golf and fun! Again, many thanks, and take some time to appreciate your own involvement in these good works!

(The Rev.) Ellen Tillotson

Torrington Rotary President, 2010-2011
